

Short survey to determine awareness of the plan, barriers to awareness, and a prioritization of existing unfinished goals.

1) Have you read the 2015 Comprehensive Plan?

-If No: redirect to a plan link with follow up question, "In one or two sentences can you tell us why?"

2) The 2015 Comprehensive Plan focuses on three main areas: Protecting Community Character, Protecting Natural Resources, and Enhancing Public Services. Do you think the City has made progress in these areas?

-Yes or no for each category

-If Yes: Can you name one thing the City has done to achieve these goals?

3) The 2015 Comprehensive Plan is meant to serve as a guiding document until 2025. In the next five years in which of the three areas should the City focus its resources?

Number 1-3 the three focus areas.

4) For each of the three focus areas, please choose the three goals you feel are most important.

List unfinished goals for each of the three areas with the ability to select top 3.

5) Would you like more information about the dates and time of the Planning Commission Meetings when the plan will be discussed?

If yes: link to webpage.
