

City Council Meeting Summary for December 8th, 2020

Work Session:

Emergency Ordinance Extension: The Emergency Ordinance has been extended for until February 8th. Council will meet in January to consider any extension.

2020 Financial Statements from Park Folly: The City's parking contractor reported on the 2020 revenues to date. It has been a great year for parking with revenues far ahead of last year.

Storm Water Ordinance Scrivener's Error: This correction was approved to correct a typo in our stormwater rules to clarify that the purpose of the rules is to prevent run off.

Mayor's Comments:

Employee of the Year: Congratulations to Colleen Jolley!

Citizen of the Year: Congratulations to Lila Beckham!

Staff Reports:

Eric Lutz, Island Wide Utility Light Conversion: The City is moving forward with new utility lights to match those already installed.

Colleen Jolley, Holiday Tennis Camp: Please email Colleen Jolley for details about this one weekend holiday clinic.

Personal Appearances:

Allen Kinter, representing the owners of 206 E Arctic presented this request. There was no motion made and the request was not approved.

Hugh Time Grady representing Ebb & Flow Pictures, LLC presented a plan for filming at the Lighthouse preserve. This request was approved with the requirement that adequate restrooms be provided on site.

Old Business:

Ordinance 15-20: This ordinance passed second reading. Going forward new development on Folly Road within the City will need to provide a 12' multiuse path.

Ordinance 24-20: This ordinance passed second reading. Our lot merger rules now narrowed to only apply to lots adjacent to the critical line or the baseline.

Ordinance 25-20: This ordinance passed second reading. It finalizes technical amendments to our flood code and sets the official date for adoption of the new flood maps as 1/29/21.

Ordinance 26-20: This ordinance passed second reading. Rental golf cart companies now will be required to pay all outstanding parking tickets prior to getting renewals or new permits.

New Business:

Planning Commission Appointments: Congratulations to Mr. Randy Carter.

Ordinance 11-20: The Emergency Ordinance has been extended for until February 8th. Council will meet in January to consider any extension.

Ordinance 27-20: This ordinance passed first reading. It is a companion ordinance to our recently passed dog tag ordinance and will bring our rabies certificates requirements in line with the renewal period for tags.

Resolution 46-20: (passed) This resolution sets aside our budgeted payments to the JIPSD into a reserve account.

Resolution 47-20: (failed) This resolution would have the personnel handbook to eliminate the reference to defined salary steps.

Resolution 48-20: (passed) This resolution gives \$1,200 to the Exchange Club for the 4th annual golf tournament fundraiser.

Resolution 49-20: (passed) This resolution reallocates \$60,000 within the IT department from Contracts to Operating Supplies to realize cost savings against the rewiring of City Hall.
