

## City Council Meeting Summary for October 13<sup>th</sup>, 2020

### Work Session:

Council members Rich and Houghton were appointed to work with staff on a comprehensive review of Community Center rules and regulations. Look for a report closer to the new year.

### Personal Appearances:

The contractor for the pier work was approved to block off parking spaces on East Arctic to allow for movement of trucks and delivery of materials to the site.

Outer Banks was approved for filming in November at the County Park. If you watch the show, keep an eye out for Folly Beach locations!

### Business Carried Over:

**Ordinance 22-20:** City Council approved the Mooring Ordinance. This will create a program for permitting and monitoring boats moored within the City. Public Safety will be responsible for enforcing this ordinance.

**Resolution 36-20:** A Resolution to Purchase Fire Trucks: This resolution was approved. The new trucks will be purchased on a 7 year payment plan.

### New Business:

**Ordinance 11-20:** Amendments to the Emergency Ordinance. The emergency parking restrictions were lifted. The mask rules remain in effect until the middle of December.

**Ordinance 12-20:** This ordinance was tabled and removed from consideration for procedural issues. It is being replaced by Ordinance 24-20.

**Ordinance 23-20:** This is an amendment to the dog tag rules that were passed last month. Dog tags now go back to an annual basis instead of three years. Owners can renew at any time and the tags will be good for twelve months.

**Ordinance 24-20:** This is a do over of Ordinance 12-20. This ordinance will now go to the Planning Commission for a public hearing.

**Resolution 38-20:** This resolution was approved and will allow the Public Safety Department to share CAD software/data with Charleston County.

**Resolution 39-20:** This resolution was approved and amends the personnel handbook in two ways: employees are required to give direct deposit information to human resources and are also required to have their time entered and approved in time for the payroll cutoff. If hours aren't entered and approved the employee will not be paid for those hours until the next pay date.

**Resolution 40-20:** This resolution was approved and will allow Public Safety to share emergency radio access with Charleston County PRC lifeguards.

**Resolution 41-20:** The resolution was approved and will fund an additional spot in the Public Safety Housing Program
